Ati-Ferrari

A HYVA GROUP COMPANY

7223C

Ergonomic control station engineered for maximum operator comfort and ease of operation

Dynamic Load Diagram

Crane lifting capacity always under control in all stabilizer positions.

After the truck has been stabilized, the operator selects the load weight to be lifted. The display shows the permitted crane outreach based on the truck stability and load selected.

- Improved efficiency
- Easy to use
- Optimised safety

Magic Touch

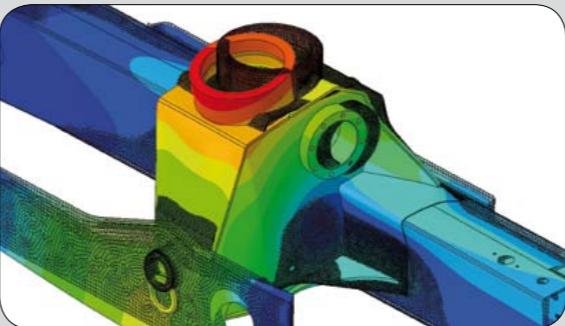

Crane Automatic folding/unfolding.

This system allows the operator to unfold the crane to a working position and fold the crane from any position to transport position by pressing a single button on the radio transmitter or display.

- Easy to start and close
- Save time
- Increased productivity and safety

High-tech development

- Structures optimised for strength, weight and speed

Top Protection

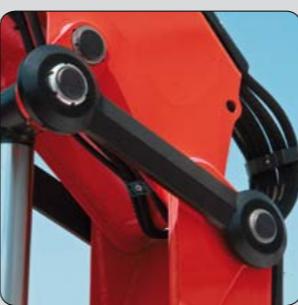

- High value retention
- Top reliability

Negative angle

- More versatile
- Easier access in confined and low spaces

Functional Aesthetic

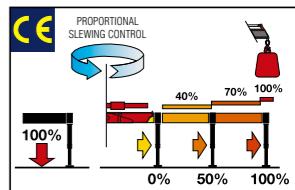

Forged double linkages on column and 2nd boom

Hex Deck cover on base

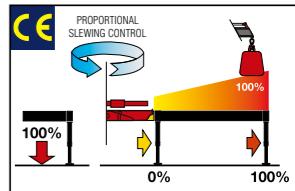

Crane control system

F3XL

With a 3" TFT display and ergonomic keyboard, the crane operator can select optimum functional parameters. The system controls the stability with 2-step beam outreach monitoring and continuous slewing control.

F4XL+TOP

A 7" color display with integrated keyboard gives the operator a higher level of awareness of the crane operation and allows selection of the best parameters for effective use. The system detects the exact position of the beams and proportionally calculates the stability.

Wide range Radio selection

Recommended truck M.T.T. ton 19 - G.V.W. ton 19

One model, many applications

Standard

- Designed in accordance with EN12999
- Design class: HC1-HD4
- Cross controls
- Load limiting device
- P-PB Proportional Power Boost
- Flanged valves
- Oil tank
- Manually extendable stabilizers
- Fixed stabilizer cylinders
- Swivel stabilizer foot
- Centralized greasing system
- EOS Extension Quick System
- SDV Smooth Descent Valve
- Red Power
- F3XL Crane control system (CE)
